LINHAI ATV550 4X4

If you are a veteran ATV enthusiast, if you like the speed and passion, if you love adventure and exploration, then LINHAI ATV550 will be a very important option for you. LINHAI ATV550 is once again improved on the basis of ATV500 performance, from the original 24kw increased to 28.5kw. The 18.7% performance boost gives you a completely different experience, bringing you higher speed limits and taking you to the unknown world. If you ask me what is the meaning of travel, my answer is company, it may be a person, it may be a car, it may be an ATV, it will always accompany you, to the place you want to go, to the scenery you want to see, or just riding on the road feeling.
