LINHAI M565LI 4X4

The LINHAI M565Li is the top of the LINHAI M series. This ATV equipped with the LH191MR engine developed by LINHAI, and the power reaches 28.5kw, LINHAI not only refined the models, but also made a detailed distinction in the engine, so as to meet the needs of different customers. Comfortable seats, backrest and armrests provide a safer and more comfortable experience for passengers. Everything we design and build is driven by off-road enthusiasts like you -- by your passions, your dreams. We listen to your ideas and then reimagine and remodel vehicles to do things that no one else can. We get it -- we're enthusiasts, too, and understand the joys of off-road and smart work.
